Once you have completed all qualifications and accepted as a member, your application fee will be applied towards the membership fee. Contact a member of the membership committee for fee amounts.

The membership committee will review your application and you will be notified prior to the next meeting if you have been accepted to begin the application process. If accepted, one of the three membership committee members will be assigned to assist with your membership progress. Each applicant will have approximately 90 days to complete the application process.

Upon completion of the application process we will conduct a review with all members listed on the applicant's activity report. Once cleared by the membership committee, each applicant may be invited to join Prestonwood Business Networking, or presented to the general membership for a vote. The membership vote occurs only if there are multiple, qualified applicants from the same business category. A majority "yes" vote will complete the applicant's status to new member. Payment of remaining membership fee will conclude the process.

Each new member is reminded, as we all know, that membership is not permanent. We all must continue to practice the basic seven (7) networking rules to continue to be productive members of the Prestonwood Networking Group.

I understand and agree to the terms of this membership application.
